Robert E. Norton LPC, CEAP  
President  
D/C EAPA Chapter

October 3, 2019

Dear Bob,

I want to send a heartfelt thank you to the D/C EAPA Chapter for their generous financial contribution supporting the promotion of the *International Digital Employee Assistance Archive* housed at the University of Maryland, Baltimore.

Your contribution was particularly timely in that it helped provide the funds necessary for our attendance at the EAPA Conference in St Louis last week and accept our Award for *Best Use of Technology*.

Please convey to the D/C Members that we heralded their support at the Chapter Meeting, the EA Archive Website Banner ([earhive.org](http://earhive.org)), at our Exhibit Table in St Louis and on Social Media. Your Chapter along with the Philadelphia and Connecticut Chapters together provided the necessary funding to support our presence at the Award Ceremony in St Louis. The EAPA Board was particularly pleased that these three Chapters came forward together to support the EA Archive at this particular juncture in our development.

And for those unable to make it this year to the EAPA Conference, please know that the combination of our presence and acceptance of the Award created a lovely “buzz” that is helping promote the EA Archive to a new level of awareness throughout the EAP field.

Once again, your timing for this contribution was quite poignant and helped for others to step forward and also support the development of this international repository.

My heartfelt thanks,

Sincerely,

A handwritten signature in blue ink that reads "Patricia L. Kelly".
